

STRIP LIGHTS

## TECHNICAL DATA SHEET - RAYAS - 14469 - STRIP LIGHT

50mtr/Roll  
Cutting point: 25mm

14469

LED

Rated Luminaire Luminous Flux: 900lm/M

Rated input power: 9W/Meter

Input voltage: DC12V

LED

### Product Description

Rayas strip lights are ideal for accent lighting. Brilliant, distributed points of LED light add sparkle, amplify depth and eliminate the “flat” look of fluorescent lights. Easy adjustment allows the fixtures to be aimed to best advantage. Ideal for illuminating swimming pools or underwater.

### Technical Data

Product Data	Strip Light
Wattage	9W/Meter
Color Temperature	3000K
Rated Luminaire Flux	900lm/M
IP Rating	67
Beam Angle	120°
CRI	Ra>80
Power Factor	>0.9
Material	3M tape+Silicon gel casing
Finish	Yellow
Life Span	30,000Hrs
Warranty	3 Years
Applications	Residential, Commercial, Retail, etc.

### Options

Dimmable	Dali, 0-10V, 1-10V, TRIAC, Others
