TECHNICAL DATA SHEET - SPEREN - 13580 - SPIKE LUMINAIRE

13580
GU10
Rated input power: 11W Max
Input Voltage: 220-240V

Product Description

This spike garden light with plain face in IP54 is a high quality and reliable outdoor garden light which is perfect for highlighting any area of the garden including pathway, driveway, garden features and ponds. This garden light features a spiked base which allows for it to easily be pushed into the ground. It also features a tempered glass face which helps to protect it from becoming damaged.
